 To return back to the Public folders, move the mouse to the top, right click and click back.

- DO NOT put any In-House Developed Reports in any of the Computer Guidance Folders, these folders are Over Written and sometimes Deleted with each Deployed Fix Pack.
- Reports Should Reside in Their own Folder.
- General Practice is, Create Folders for Each eCMS Application.
- Job Cost Reports, Equipment Reports, Payroll Reports, etc...

- You want to make Changes to a Computer Guidance Report.
- First, copy the Report from the Computer Guidance Folder and put it in a Different Folder, usually in My Folders.

Public Folders	<u>My Folders</u>		Job Cost Report
